

# Sam Wang Shusen

Software Engineer at Fuji Xerox Software Center Singapore

wlgq@hotmail.com

---

## Summary

Hi, my name is Sam, a Java and JavaScript stack developer with 5 years work experience.

As a full-time employed engineer, I use Java EE and frontend framework to deliver high quality products.

At free time, I contribute to open source projects to broaden experience and skills.

Also sometimes, I write blog to share my ideas.
